LEEDER MARINE

Superior MARINE STRENGTH FIBREGLASS POOLS

WELCOME TO RIVERINA

Back in the 1950's, the Piesse family began building custom built timber lap strake boats in Fremantle, Western Australia. Within three years, they began to build in fibreglass which, at that time, was a new and revolutionary technology. In 1973, the Piesse family's Leeder Marine began building a range of radically designed fibreglass boats which evolved into new and exciting styles that gained wide popularity and set the company on a sound foundation.

Over the past years, all this experience and expertise has been formulated into Riverina Pools. Utilising advanced construction techniques and products developed in the marine industry (where there is no tolerance or room for error) enabled Riverina Pools to manufacture its range of pools to exacting Australian engineered standards.

Riverina Pools use only the highest grades of vinyl ester resins and glass fibre products available in the manufacture of our pools which gives us the confidence in providing you with a lifetime construction warranty.

All of this experience and technology has allowed Riverina Pools to develop a constantly growing export market, both nationally and internationally.

SIMPLY STUNNING

Beautiful yet fun, spacious yet not imposing, luxury at a price you can afford.

Allow us to integrate one of our stunning pools into your lifestyle today.

With a Riverina pool, you will be swimming in quality and style with the latest designs and colours.

We pride ourselves on having no surprise costs in our quotes and our experienced sales team will work with you to find the right pool and package to suit your budget and lifestyle.

We are committed to ensuring that all our clients and their families are welcomed through our doors with attentiveness and consideration. Our enthusiastic staff are highly committed and loyal, with a strong belief that a Riverina pool is a valuable investment in one's property. With this in mind, our commitment and passion for achieving "another happy customer" is our priority and success.

INTERNATIONALLY RECOGNISED

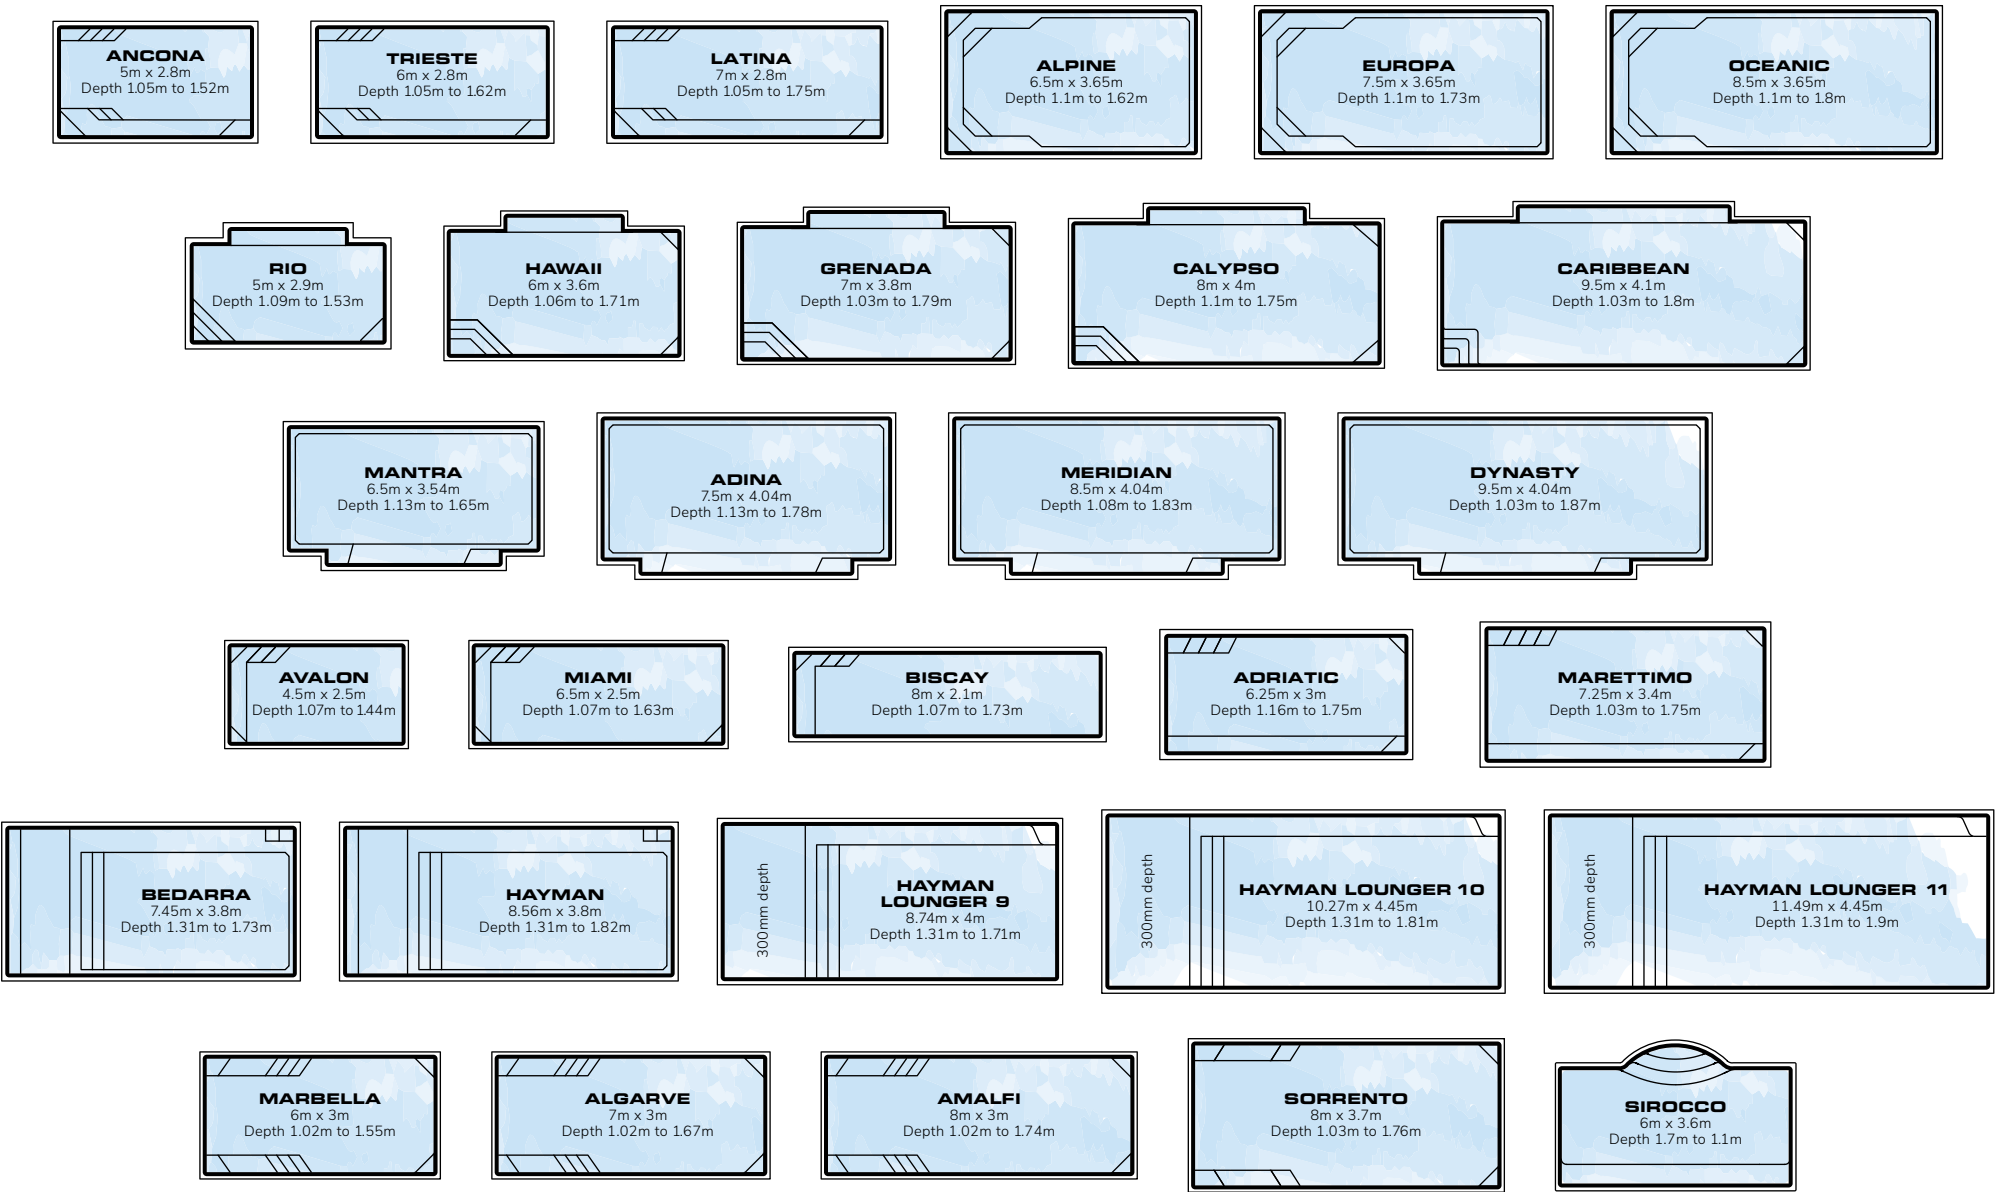

Riverina Pools provides peace of mind and accreditation recognised throughout Australia and overseas.

Guaranteed with a full lifetime structural warranty and superior marine grade gelcoat.

We are a SPASA award winning pool company.

The RIVERINA Collection

All images are for display purposes only. All sizes are approximate and all dimensions are internal.

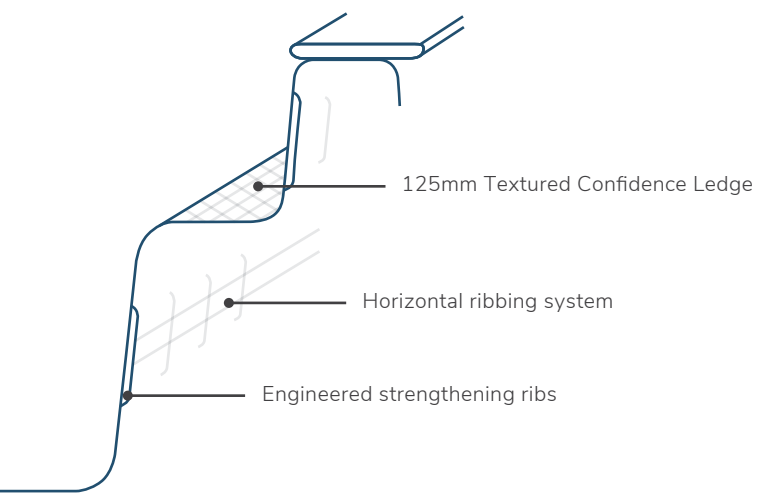

CHILD CONFIDENCE LEDGE

Have peace of mind knowing your children can find their way around the pool with absolute support, self assurance and awareness. Our new range of pools have been specifically designed for children to gain confidence in the water while learning to swim.

Riverina's range of 'Confidence Ledge' pools offer a massive 125mm confidence ledge, the widest available on the Australian market, with the added security of a textured pattern for extra foot grip.

Child Confidence Ledge is available in the Alpine, Europa, Oceanic, Mantra, Adina, Meridian, Dynasty, Bedarra and Hayman designs.

SUPERIOR MARINE STRENGTH

Our pools are manufactured using the same method and technology as our marine range of boats. From government patrol boats to 5m-20m leisure crafts.

All materials used in the manufacturing process of our pools and boats are purchased directly from only one leading supplier.

During the process of manufacturing your swimming pool, detailed procedures are performed during each stage including the thickness of material being applied, correct positioning of ribbing and correct atmospheric temperature conditions. Weights of all materials being used are recorded during the manufacturing process.

Once the pool has been completed, it is then removed from the mould for inspection and electronic testing of the internal surface and thickness of the shell.

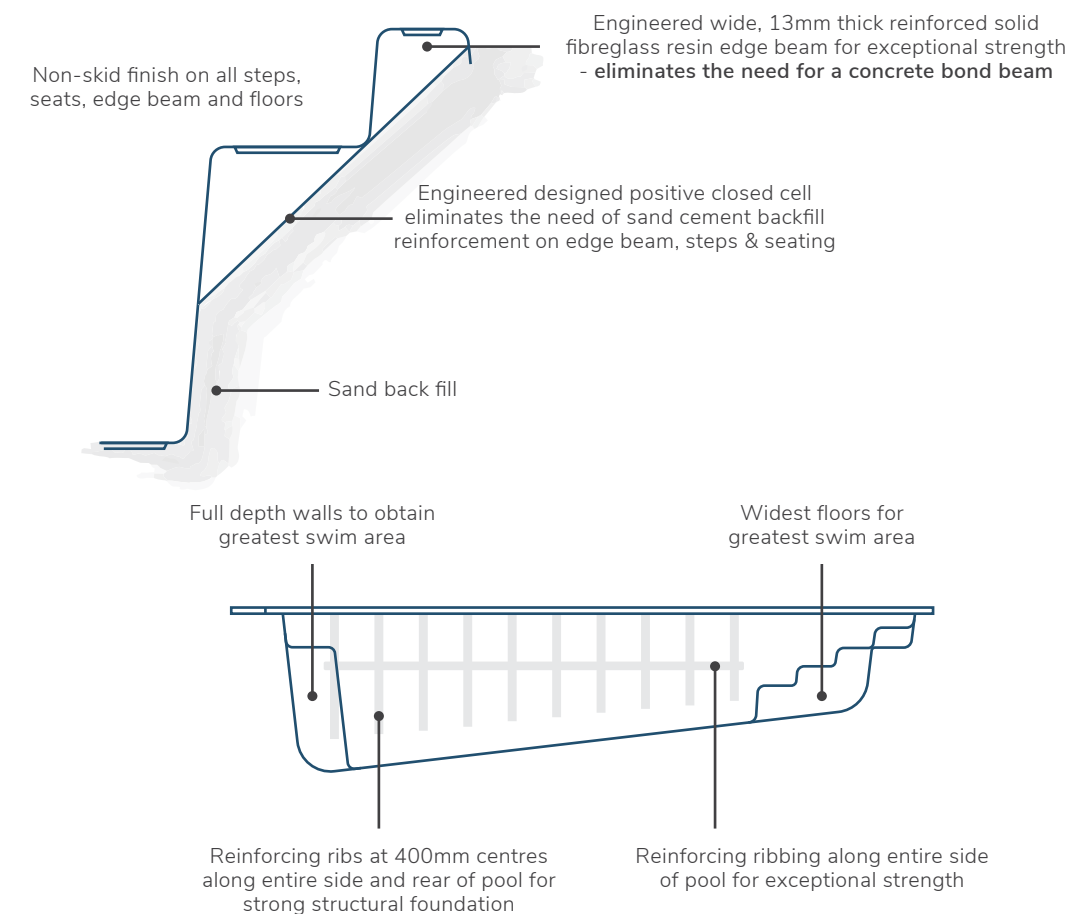

All relevant testing must comply to the Australian Standards. The inspection results are recorded and archived for future reference when required.

With over 50 years experience in the pool and marine industry, Riverina Pools can offer you the very latest and best swimming pool design, construction and technology.

STRUCTURAL INTEGRITY

When you purchase a Riverina pool, manufactured in Western Australia, you have peace of mind knowing the pool is manufactured and engineered to provide you and your family and friends with a lifetime of enjoyment. Take the time to look deeper into a Riverina pool's construction and relax in the fact that your pool will stand the test of time.

SAFETY & COMFORT

HAYMAN LOUNGER 9, 10 & 11

Hayman Lounger 10 in Grey Sky Silver

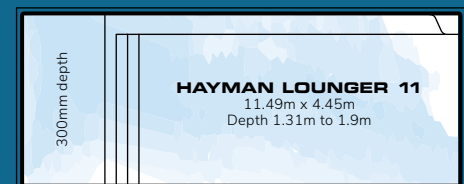

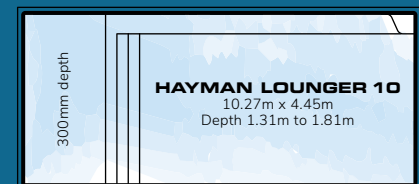

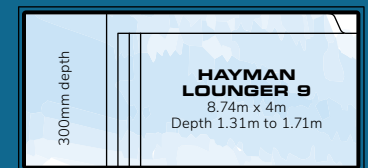

STAY A LITTLE *Longer*

Transform your backyard into a luxurious retreat with the Hayman Lounger, your all-in-one poolside haven. Enjoy a blissful holiday at home with your loved ones as you indulge in the ultimate relaxation experience.

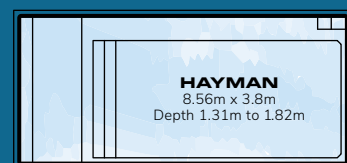

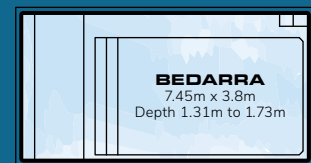

Featuring a 300mm deep lounging zone, perfect for Ledge Loungers, and slimline, contemporary long entry steps into the swim zone.

NEW
Design

Hayman Lounger 10 in Grey Sky Silver

SEASIDE
Splendor

Have a beach party in your own backyard with this design featuring a generous beach entry area and wide entry steps. A full-length martini seat can be used as a relaxation zone and the confidence ledge is perfect for young children learning to swim. Add a couple of waterproof bean bags to the wading area and you won't need to leave home all summer!

BEDARRA & HAYMAN

RIO, HAWAII, GRENADA, CALYPSO & CARIBBEAN

Grenada in Cottesloe Water Silver

Bring chic contemporary style to your outdoor space with this range of pool designs. With a generous side martini seat and corner swim outs, entertaining is a breeze while still providing plenty of space for swimming. Available in five size options to fit any backyard.

Calypso in Middleton Beach Silver

Grenada in Singleton Beach Silver

RIO
5m x 2.9m
Depth 1.09m to 1.53m

HAWAII
6m x 3.6m
Depth 1.06m to 1.71m

GRENADA
7m x 3.8m
Depth 1.03m to 1.79m

CALYPSO
8m x 4m
Depth 1.1m to 1.75m

CARIBBEAN
9.5m x 4.1m
Depth 1.03m to 1.8m

MEDITERRANEAN
Charm

Part of the Child Confidence Ledge series, these pools have a unique entry area featuring plenty of seating options to cater to the needs of your family and friends.

The generous width provides lots of space for pool games and splashing around and the confidence ledge is a great rest spot for children learning to swim.

ANCONA, TRIESTE & LATINA

Latina in Singleton Beach Silver

Trieste in Cottesloe Water Silver

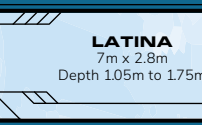

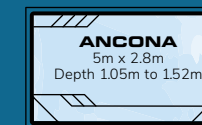

TIMELESS *Sophistication*

Ancona in Singleton Beach Silver

This classical, sophisticated series has been created to be the centrepiece of your entertainment zone. The full-length martini seat down one side can become your favourite relaxation spot with the addition of optional spa jets.

Three entry steps in the shallow end mean you can enter and exit from either side of the pool. Add waterline tiles for additional wow factor.

LUXURY *Living*

This range of pools has everything you need to suit your family, from younger children up to teenagers. A large entry step with martini seat can be turned into the perfect relaxation zone with the addition of optional spa jets. Part of the Child Confidence Ledge series, it is available in four sizes to suit various sized outdoor spaces.

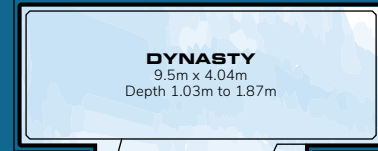

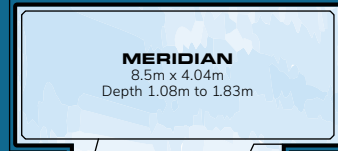

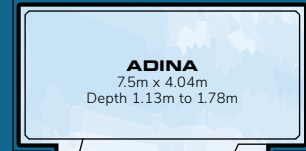

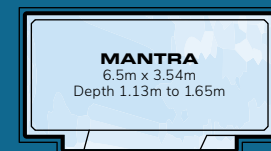

Mantra in Middleton Beach Silver

Dynasty in Turquoise Beach Silver

MANTRA, ADINA, MERIDIAN & DYNASTY

Meridian in Grey Sky Silver

MARBELLA, ALGARVE & AMALFI

ELEGANT *Escape*

MARBELLA
6m x 3m
Depth 1.02m to 1.55m

ALGARVE
7m x 3m
Depth 1.02m to 1.67m

AMALFI
8m x 3m
Depth 1.02m to 1.74m

Algarve in Singleton Beach Silver

Algarve in Singleton Beach Silver

Amalfi in Singleton Beach Silver

An ageless design that is perfect for narrower spaces, this range provides uninterrupted swimming space with twin side entry steps and deep end swim outs. With three sizes to choose from, you can create the perfect balance of pool and entertaining space in your outdoor area.

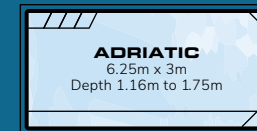

Adriatic in Middleton Beach Silver

Marettimo in Singleton Beach Silver

Suited to small or medium backyards, this range features a full-length martini seat with step entry. Generous side entry steps and deep end swim out provide convenient access in and out of the pool.

The geometric design is the perfect complement to modern architectural styles and landscaping, transforming your outdoor space into your dream entertaining area.

BLISSFUL *Retreat*

Adriatic in Cottesloe Water Silver

Adriatic in Cottesloe Water Silver

ADRIATIC & MARETTIMO

AVALON, MIAMI & BISCAY

Turn on the light and illuminate your outdoor space at night to create a stunning alfresco area perfect for those warm summer evenings. Sleek lines and a narrow width make this a current design suited to smaller outdoor spaces.

The space saving side steps allow for a generous swimming space. Sit back and relax on the extended seat across the shallow end and enjoy the view.

AVALON
4.5m x 2.5m
Depth 1.07m to 1.44m

MIAMI
6.5m x 2.5m
Depth 1.07m to 1.63m

BISCAY
8m x 2.1m
Depth 1.07m to 1.73m

INDULGENT *Paradise*

SIROCCO

Featuring stylish curves, the Sirocco is a smaller sized pool that is still packed with features including rounded entry steps and a full-length martini seat.

The curved side entry allows you to step into either the shallow or deep end to cool off on a scorching hot day.

CALMING
Haven

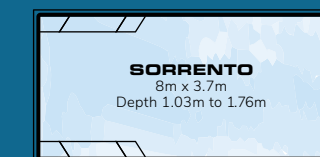

Sirocco in Turquoise Beach Silver

SORRENTO

Sorrento in Middleton Beach Silver

Another classic geometric design, this pool offers dual unobstructive entry steps on both sides of the shallow end as well as twin deep end swim outs.

Modern and practical, this style suits all backyards and is ideal for swimming and entertaining without compromising on features and design.

SERENE
Sanctuary

THE ULTIMATE POOL FINISH

Our stunning range of colours have exceptional colour retention and sun protection for your pool. With a wide range of options available, take the time to select the one that best suits the vision you have for your outdoor space and landscaping.

Plants, trees, paving selection and the time of day can all affect the colour of your pool. If you want to highlight the reflective qualities of the water, choose a dark colour. The water will also be warmer as the dark colour absorbs the sun's warmth. Lighter colours will make your pool look larger and are generally cooler than a darker coloured pool.

DIAMOND LUSTRE
